\*Students are responsible for the cost of travel and housing during clinical rotations in spring and summer semesters. Every effort has been made to accurately estimate current program expenses. All prices subject to change without notice. Financial assistance is available for qualified students, including scholarships, federal and state grants, loans, and part-time employment. For more information visit the WSCC Financial Aid website.

On campus dormitories are available for men and women. For more information contact the Campus Housing Office at 256-352-8156.
